KÂZIM

Efes Restaurant is named after Ephesus, the historical city on the Turkish Aegean coast. It is also the name of his first restaurant that he opened in 1974.

Kazim continues to work as a chef which explains the consistent high standards found at Efes Turkish Restaurant. The food is prepared daily and only the finest ingredients are used.

To our chefs, the real passion are the contents and flavours of the food that they prepare, which come from thousands of years of understanding.
